

## Cooling / Presentation

Mini bars / Bottle and Wine coolers

### Minibar Model MB 40 G

- Material: (housing) steel, powder-coated, (interior) plastic
- Door with triple glazing, double coated
- Door frame with insulating insert for energy efficiency
- 2 height-adjustable grids
- Interchangeable door hinge, lockable door
- Automatic defrost
- Interior LED lighting
- Analog temperature control
- Absorption cooling: extremely quiet (class A)
- Refrigerant: R717
- Energy efficiency class: G (spectrum A to G)

Model	Order no.	GTIN	Price
MB 40 G	456-1015	4017337048915	420,00 €
220 V - 50 Hz - 0,65 kW	+5/+14	22	
W 402 x D 453 x H 560 mm	36		

MB 40 G

### Ventilated bottle cooler Model GTK 230

- Material: (housing) steel; stove enamelled, white; (interior) plastic, white; (Glass door frame) plastic, black
- Self-closing door, double-glazed, lockable door
- 5 height-adjustable grids
- Analog temperature control
- Interior LED lighting
- 2 height-adjustable feet at the front, 2 castors at the back
- Static cooling with circulating air fan
- Refrigerant: R600a
- Energy efficiency class: D (spectrum A to G)

Model	Order no.	GTIN	Price
GTK 230	437-1000	4017337437009	1.104,00 €
230 V - 50 Hz - 0,18 kW	+0 / +10	59
