SEVILLA

Chip cutter Model CF-5

- Clean and uniform cut, with no breaks or waste
- Including potato grid 8 x 8 mm, 10 x 10 mm or 12 x 12 mm
- Allows for optimal performance thanks to the longer lever with little effort
- Convenient use: the springs are at the back and leave the grille completely free
- The springs are very flexible compensators, which raise the ejector press
- Suction feet for attaching the device to the holder
- Easy to clean
- Not suitable for dishwashers

8 x 8 mm, 10 x 10 mm and 12 x 12 mm
Potato grid also available separately
8 x 8 mm (Order no.: 28-1520) 102,00 €
10 x 10 mm (Order no.: 28-1521) 102,00 €
12 x 12 mm (Order no.: 28-1522) 102,00 €
